Secondary	All assignments posted by 8:00am
Students in grades 6-12 will meet their regular schedule each day just as they do during face-to-face instruction. Students will be expected to actively participate in class at their regularly scheduled time along with completing all assignments. The teacher will take attendance for each class. This will include live Webex/Zoom meetings, demonstrations, projects, and assessments in order to provide rigorous instruction for all students. Students will earn grades just as if they were in face-to-face instruction.
