Welcome to Wren Middle School!

We are so excited to have your child at Wren Middle School for the 2018-2019 school year! Wren Middle School has a rich history of academic excellence and is a true community school. We welcome students from Hunt Meadows Elementary, Spearman Elementary, and Wren Elementary.

At Wren Middle School, we strive to treat all people not as they are but for what they can become. We are always striving for greatness in a positive and safe environment. All signs point to another incredible and productive school year. Our skilled and devoted staff are already planning and preparing for your child. Our enthusiastic office team is registering new families, ordering needed materials, and updating student files. And, our much appreciated PTSO is gearing up to welcome families, provide volunteer opportunities, and offer exciting events and programs. We are a joyous and caring community with common goals of nurturing responsible, caring students and promoting high-level learning experiences.

We will have a meeting for all 6th grade students and parents on Tuesday, August 14th at 5:30pm. During this time, we will provide a brief overview of our school that will include expectations and ways that you can be involved. There will also be an opportunity for you to meet your child's teachers. For summer information such as paying fees, student dress code, P.E. dress requirements, and frequently asked questions, please visit our website and view our announcements page.

We look forward to serving you during the 2018-2019 school year!

Sincerely,
Dr. Andrew Hooker
